

ESSENTIALS LINE

ALPINE™

UNLIMITED MOISTURE VAPOR BARRIER, URETHANE ADHESIVE

PRODUCT HIGHLIGHT

RESIDENTIAL

MULTI-FAMILY

COMMERCIAL

Alpine is designed to protect flooring from substrate moisture without requiring any moisture or pH testing. It can easily install several flooring types including: solid (shorts) and engineered wood, parquet, and bamboo (not strand woven). This one-part, moisture-cured polyurethane is low VOC and low odor.

WHY USE

- Unlimited moisture protection (porous slab)
- Cost savings potential
- No moisture or pH testing required
- Protects flooring from alkali attack
- Aggressive tack, fast-grab
- High-strength, elastomeric bond
- Permanent, waterproof bond
- Faster construction timeline
- Sound control (IIC, STC)
- Non-slump formula
- Easy application
- 1-step installation (no stirring/mixing)
- Low VOC, low odor

FEATURING NO TESTING

COST SAVINGS POTENTIAL*

Skip Testing: Can save \$0.15/ft² by not having to moisture or pH test

Start Installing: Save days or weeks by avoiding costly construction delays

Save \$4-5/ft² by not having to bead blast, skim coat, or use a 2-part epoxy system

*Savings are based on an estimated national average and may vary based on location and job site.

COVERAGE: 20-50 ft²/gal

SHELF LIFE: 1 year

AVAILABLE IN: 4 gal (metal pail)

UPC: 719692-024101

SKU: ALPINE-4

WEIGHT: 56 lbs
