FLUX™

STATIC DISSIPATIVE FLOORING ADHESIVE

PRODUCT HIGHLIGHT

RESIDENTIAL

MULTI-FAMILY

COMMERCIAL

Designed for environments where static control matters, **Flux™** delivers reliable ESD and conductive performance without complicating the installation process. This one-part adhesive supports faster, simpler installations while safely dissipating static discharges across a wide range of approved substrates. **Flux** balances performance, versatility, and ease of use, making it a dependable solution for static dissipative flooring systems.

WHY USE

- Faster, simple installations
- Reliable ESD and conductive performance
- Safely dissipates static discharges
- Versatile substrate compatibility
- One-part system
- Low complexity grounding assembly

COVERAGE: 220-260 ft²/gal

AVAILABLE IN: 4 gal pail

SYSTEM: One-part adhesive
