RESOLUTE® RT

UNLIMITED MOISTURE VAPOR BARRIER,
HARD-SET, ELASTOMERIC ADHESIVE

PRODUCT HIGHLIGHT

RESIDENTIAL

MULTI-FAMILY

COMMERCIAL

Resolute® RT is a hard-set, elastomeric adhesive engineered for the most demanding installations. Designed for critical environments, it delivers a high-strength, waterproof bond with an unlimited moisture vapor barrier, without the need for moisture testing or multi-part mixing. **Resolute RT** supports faster return-to-service timelines, allowing access for heavy rolling loads in as little as 6 hours, while maintaining long-term durability and moisture protection.

WHY USE

- Unlimited moisture protection
- Rapid access for heavy rolling loads (6 hours)
- No moisture or pH testing required
- No sub-slab moisture barrier required
- Topical liquid resistance
- Permanent, waterproof bond
- 1-step installation (no stirring/mixing)
- Designed to reduce telegraphing
- Faster construction timeline
- Rapid occupancy times
- Installs multiple flooring types

COVERAGE: 50-250 ft²/gal

AVAILABLE IN: 2 and 4 gal

SHELF LIFE: 1 year
