

SIGNATURE LINE®

STEADFAST®

CLEAR THIN SPREAD, VCT ADHESIVE

PRODUCT HIGHLIGHT

RESIDENTIAL

MULTI-FAMILY

COMMERCIAL

Reliability often comes at a price, but with **Steadfast**, the benefits far outweigh the cost. Steadfast changes the game with its ability to handle light traffic immediately after installation. With its strong, water-resistant bond, it gives you confidence that your flooring is secure.

WHY USE

- High-strength, water-resistant bond
- Immediate access for light traffic
- Competitive price point
- 24 hours of working time
- Warranted over cutback residue (see TDS)
- Simple installation
- Elastomeric bond
- Handles heavy rolling loads
- Designed specifically for VCT flooring
- Low VOC, extremely low odor

EXTREMELY
