LIGHT COMMERCIAL

HEAVY COMMERCIAL

Aspen keeps you firmly grounded with both its price and performance. Created to offer an alternative to traditional urethane-based adhesives, Aspen is an easy-to-clean, low-odor, isocyanate-free solution. With its early grab, fast-curing formula and tenacious bond, Aspen reduces project time and labor accompanying most wood flooring installations.

WHY USE

- 90% moisture protection (porous slab)
- Attractive price point
- Permanent, waterproof bond
- Solvent and isocyanate-free
- Non-staining and easy to clean
- 1-part installation (no stirring/mixing)
- Rapid occupancy times
- High-strength, elastomeric membrane
- Sound control
- Warranted over cutback residue (see TDS)
- Protects flooring from alkali attack
- Extremely low VOC, extremely low odor
- Antimicrobial technology
