HEAVY COMMERCIAL

Take your job site to the next level with **Enhance**. Its multi-functioning capabilities tackle many tough challenges such as detackifying or encapsulating existing adhesive residue, including cutback. Even difficult-to-bond substrates are no match for the textured surface profile Enhance provides.

WHY USE

- Highly-bondable, textured membrane
- Primes difficult-to-bond substrates
- Protects flooring from alkali attack
- Encapsulates cutback residue
- Detackifies existing adhesive residue
- Seals porous substrates
- Simple, 1-part installation (roller-applied)
- Rapid 1-2 hour cure time
- Primes Sahara for glue-down applications
- Extremely low VOC, extremely low odor
- Solvent and isocyanate-free
- Antimicrobial technology
