Edge-Lock is designed to prevent carpet edge unraveling and seal cut edges to prepare them for hot-melt and glue-down seaming. This synthetic latex blend is easy-to-use, fast drying, and has blacklight tracers to verify proper application.

WHY USE

- Blacklight tracers
- Water-resistant bond
- Easy application
- Non-staining, easy-to-clean
- Low VOC, extremely low odor
- Attractive price point
- Solvent-free
- Antimicrobial technology

COVERAGE: ~75 fl/8oz
AVAILABLE IN: 8 oz
SHELF LIFE: 6 months
